

preventing the contents of the envelope from showing through said first side and interfering with the readability of any address printed in said light colored area.

80. The method of making a postal envelope form system as defined in claim 25, in which said printing step includes printing a FIM mark on said originating sheet, and

providing a carbonized area for reproducing said printed FIM mark on said reply envelope.

REMARKS

Claims 1, 4, 17, 18, 24-26, 37, 38, 44, 50-53, 55, 61, 62, 68 and 71-80 are in this case.

Thus, by this Amendment, Applicant has reduced the number of claims in this case from 70 to 27.

It is noted that Applicant's attorney filed a Power of Attorney and an Information Disclosure Statement on May 9, 2000.

Therefore, the following papers have been recently filed:

1. Power of Attorney filed 5/9/00
2. IDS filed 5/9/00
3. This Amendment filed 5/22/00
4. IDS citing two patents filed 5/22/00
5. IDS citing one prior use filed 5/22/00.

Respectfully submitted,

William D. Hall
